Wine-making	This wine is made by Jean Montanet on behalf of his wife who inherited this domaine from her family. The wine is a beautiful expression of Chardonnay and fully demonstrates why Jean is widely regarded as an exemplary winemaker.
Notes	This is an elegant, subtle white wine of considerable charm. The end result is influenced by the fossilised limestone soils that are found here - giving the wines a lively minerality. The grapes for this wine are hand picked from the small plots of vines, fermented with native yeasts and matured in old oak barrels. Little sulphur is added to the bottle to maintain the freshness of the wine.
