Vin de Table

Wine	Le Temps des Cerises Vin de Table Fou du Roi
Winemaker	Axel Prüfer
Appellation	Vin de Table
Location	Axel maintains one of the most beautiful vineyards in France. When we visit we have to jump into his white van and negotiate rutted mountain roads and then walk the remaining distance through the forests to reach his isolated vineyard.
Cuvée	Fou du Roi (the king's jester)
Red/White/Rose	Red
Year	NV
Grape varieties	Fou du Roi is a blend of 30% of each of Grenache Noir, Cinsault and Carignan and 10% of Cabernet Sauvignon.
Alcohol	12.5%
Viticulture	Axel is fastidious about his management of the vineyard. He does not allow anything that is not natural to happen in his vineyard.

Notes

It displays cherry on the nose and has an elegance and vibrancy that is very appealing. It tastes alive! It has good tannin structure which will help as it ages and the finish is long, clean and lively. Definitely one for those who want to explore the complexity of natural wines
